

Deerlake Village Community Association

Application for Small Watercraft Permit

Permits for small watercraft used on Deer Lake are granted by the DVCA with the understanding that the Association will not be responsible for accidents or injuries sustained while using the lake. A one time registration fee of \$25.00 is required for each watercraft to be used on the lake. The assigned registration number must be displayed on both sides of the craft. Registration insures that all boats using the lake belong there. Watercraft used on Deer Lake must be registered regardless of storage location. Boats must be stored at storage location when not in use on the lake.
