POOL USAGE FOR GUESTS OF DEERLAKE MEMBERS 2023

1. The Deerlake Pool is for use by **residents and their guests only**, and is not a public pool. Entrance to our pool is via two pool gates using the pool key and wearing pool wristbands obtained by calling Margo Williamson at 828-649-5787. **Everyone** using the pool **must be signed into the pool log at each visit**. (Please see and follow instructions on the sign-in sheet on how to sign in yourself/resident and guest/visitor.)
2. **Overnight Guests** who live beyond a 50-mile radius of Brevard, may use the pool during their stay **unaccompanied** by a resident (and **must** sign into pool log as **GUESTS**). Two members of a group must be wearing the pool wristbands obtained from their resident hosts. Residents are responsible for making sure their houseguests are informed of and abide by all pool rules.
3. **Local Visitors** who live within a 50-mile radius of Brevard may use the pool on the day of their visit **only if accompanied by a resident** (and **must** sign into the pool log as **LOCAL VISITORS**). Two members must be wearing the pool wristbands, resident and one visitor. Residents are responsible for making sure their visitors are informed of and abide by all pool rules. In consideration of your neighbors, each household is limited to 6 visits each month for local visitors who **must be accompanied by resident**. Please appreciate that residents' local family/friends must not use our pool as a substitute for the local public pool.
4. If anyone feels that he/she has a special circumstance, such as a caregiver, child-tender needing to come to the pool along with resident or child, please contact a member of the Pool Committee.
